

Login Screen 1

The diagram shows a login screen with a white background and a thin grey border. In the top right corner, there is a small grey 'X' icon. In the center, the word 'Username' is displayed above a text input field. The text 'Text Field' is written in blue inside the input field. To the right of the input field is a small grey button with a right-pointing arrow. Two orange arrows point from the screen to the right. The first arrow starts at the 'X' icon and points to the text '0 (Safe Quit)'. The second arrow starts at the right arrow button and points to the text '2 or 3'.

Admin User Creation Screen 3

A diagram of a user selection interface. It features a central list of 16 users, from 'User 01' to 'User 16', with 'User 05' highlighted. Above the list is a left arrow and a close button. Below the list is a text input field labeled 'Enter Username' and a right arrow. Orange arrows with numbers point to these elements: a '2' points to the left arrow, a '0' points to the close button, and another '2' points to the right arrow.
